

Edward Cella Art + Architecture and Cabana Home are
pleased to present the exhibition:

THE VENUS PAINTINGS BY MARY HEEBNER

FEBRUARY 4 - MARCH 25, 2014

You are invited to come see this new installation
of handmade paper collages by Mary Heebner
beginning **FEBRUARY 4**, at your leisure, any time
Monday thru Saturday between 10 AM & 6PM

This follow up exhibition to her solo-show in Los Angeles presents seven additional new works in the Venus Paintings series. Heebner's lush large format collages are inspired in part by the artist's study of the Venus mythology across varied cultures, eras, and geographies. The work explores themes of embodiment and femininity with a contemporary resonance that ultimately suggests the lasting poetic vitality of these vestiges of ancient civilizations.

**Also Cabana Home will feature The Venus Paintings during
the Funk Zone Art Walk Saturday **MARCH 8** from 1-5 pm
